

“FOR THE EARTH WILL BE FILLED WITH THE KNOWLEDGE OF THE GLORY OF THE LORD, AS THE WATERS COVER THE SEA.” - HABAKKUK 2:14

Dear Friends, Family, and Ministry Partners,

The Bible is a relentless display of God’s love for all mankind and His plan to redeem us through the death and resurrection of His Son, Jesus Christ. Crystal and I have been so blessed to be a small part of this plan in Lake City, CO for the last 3 and a half years. As some of our supporters and dear friends Gail and Maxine Myers encouraged us the other day; it was Philip in Acts 8 who was already in ministry for the Lord in and around Jerusalem, and the Lord told him, “Rise and go!...” Philip was obedient, and God continued to use him. Like Philip, God has called us to “Rise and go!...” and we are obedient to that calling. We have been called to join a team of three other families to plant a church in Boulder, CO.

“Why Boulder?...” You might ask. Boulder is a dark community where spirituality is abundant, but the Gospel is absent. One of our team members found this quote on a Boulder tour guide homepage (www.normankoren.com):

“It is home to innumerable environmental and spiritual groups (mostly new age and eastern-oriented; fundamentalist Christians are politely directed to Colorado Springs).”

So our question in praying and fasting has been, “Why not Boulder?” It is our modern day Nineveh, our Samaria, and it is in our backyard. In our study of the city and surrounding areas, we have found that there is not very much happening in Boulder to advance the Gospel. We are going with that as our focus and Jesus as our reason; to boldly proclaim as it encourages us in Romans 1:16, “For I am not ashamed of the Gospel, for it is the power of God for salvation to everyone who believes.”

Fortunately, we are not alone. We are going as a part of the Acts29 network, whose focus is to plant and re-plant Gospel centered churches through discipleship, training, networking, and encouraging for the glory of God. The means is Jesus and the end is Jesus, and it’s Jesus from beginning to end. Matt, our team leader and captain on this adventure begins an Acts29 church planting boot camp/ internship through Fellowship Bible Church in Little Rock, AR at the end of July. Our plan is to move to Boulder, along with the other team members, around that same time frame. We do not have specific roles as of now, other than being available to be used in whatever means the Lord sees fit. Our plan is to be bi-vocational and to live life with the people of Boulder in everyday scenarios. Whether through discipleship, home groups, one-on-one counseling, encouraging existing believers to live the Gospel, marriage counseling, park ministry, or homeless ministry; we will take advantage of every opportunity to share Christ with the people in our everyday lives. We do not want to sheep steal from other area churches.

We want new sheep. Our expectations are low, but based on His faithful track-record, we anxiously watch for God to show off in all aspects of this new adventure.

Our needs are few, but substantial, with the main two being prayer and financial support. We are extremely grateful for those of you who have faithfully supported us the last 3 ½ years in Lake City, and we ask that you pray about continuing to support us on this new adventure in Boulder.

Our prayer needs are as follows:

- ★ A job for Seth; although we are raising support, we are planning to be bi-vocational to offset the cost of living in expensive Boulder
- ★ Trust in God's provision as we raise support
- ★ Housing for us and the other 3 families
- ★ Spiritual protection heading into a new battle front, to be rooted in God's word daily and armed with the armor of God (Ephesians 6)
- ★ For our sweet Stella, as she continues to grow (15 months old now!), that she will come to know Jesus at an early age and walk with Him all the days of her life
- ★ For the rest of the team and their families, that God will make their paths clear during this transition period
- ★ For God's work in Boulder, and continued work in Lake City
- ★ For a faithful and strong finish in Lake City
- ★ For obedience in the every day opportunities to share Jesus with those around us!

If you would like to join in supporting us financially, enclosed is a support card with a detachable portion to fill out and return to the provided address ASAP. For now we are looking to get pledges for donations. We will contact you with information on who to make the checks payable to, as we are in the process of establishing the church plant's 501c3 (tax deductible).

Thank you for your partnership in the Gospel! To God be all the Glory!

.love.

Seth, Crystal, and Stella Dady
